| Premiership Table                       | P4 |

Totally Exhausted has been running the event for the past seven years from their store after recognising the need for a true Performance Car Event in Albury Wodonga. The event has been so successful over the last seven years that it has outgrown its previous venue.

The increased size in venue at the Wodonga Racecourse will allow for both a car and motorbike Show 'n' Shine and a number of trade stalls. The day provides the opportunity for spectators and car enthusiasts to compare and view the vehicles in a family-friendly environment.

Gates open at 9.30am with entertainment for all ages with jumping castles, face painting, tattoo show and live music by 2 Sirens. After 6pm, enjoy music by Idle Fret and a Burlesque demonstration.

## Wodonga Gold Cup Holiday Bid

Thank you to all the members and businesses that have supported the club with its holiday bid. To date we have over 85 Wodonga businesses on board, that equates to close to 4000 employees.

The club is continuing to build the business case for the venture. The next step is to continue to work closely with the Wodonga Business Chamber who will assist in facilitating a process forward to Wodonga Council.

The club is still collecting support letters. If we have not reached your business yet, please feel free to contact the office on 02 6056 1214 or email [wodonga@countryracing.com.au](mailto:wodonga@countryracing.com.au)

## Barlens Colts and Fillies Race Day

The weather didn't disappoint for the Barlens Colts and Fillies Race Day for the first race day of 2014. The sun was shining, making the races the perfect place to enjoy the weather.

Corona City was a popular destination with buckets of Corona's on sale and plenty of give-aways.

The racecourse was a popular choice for bucks and hens parties this year with a number enjoying private marquees and Corona City.

Local trainer, Brian Cox had a successful day with a win in race 2 with Pink Jubilee ridden by Regan Bayliss. He also had a second place in race 5 with Bay of Biscay ridden by Ryan Plumb.

## Belvoir Special School Charity Luncheon at Barlens Colts and Fillies Race Day

The 2014 Belvoir Special School Charity Luncheon was again a fantastic success for the school.

The day was enjoyed by all that attended with some wonderful prizes and auction items up for grabs.

Pam Hawkes, co owner of champion racehorse Black Caviar gave an interesting talk on her experiences as an owner of the horse, including meeting the Queen a number of times.

The luncheon raised over \$14,000 which will be used to purchase playground equipment for their new school and continue to provide therapy equipment for the higher need students whose needs differ and alter each year.

## Racecourse Upgrades

With a large open space facility there is always something that needs doing around the course. Track employee Dustin Cundy took a sledge hammer to an old avery near the grandstand. The end result is a pleasant retained garden bed space. Keep up the good work Dustin.

Naubro Kerb's Tyrone Naughtin and his team have been busy in the trainer's area. The complex received some kerbing works to make the workplace safer for track riders and horse movement. Thank you to Baxters Concrete and Brian Cox for their assistance in getting the works completed.

## Racecourse Signage

The club is placing new bill board signage between the 800 and 300 metre mark on the track. The signs are 7.2m x 2.4m. Please see the TAB sign already erected at the track. If you or your business is interested in a sign, please contact the club. The signs have the ability to face onto the track or Brockley and Thomas Mitchell Drive.
