Breastfeeding Education

Live

Gain the confidence to successfully breastfeed your baby

Breastfeeding Education Live sessions are for expectant parents.

Join our **interactive 1.5 hour webinar session**. Ask our presenters **questions** and **chat with other parents** during this engaging live session as you learn and practice **how breastfeeding works**. Then join a **Q&A session with a breastfeeding mother**.

Access pre-recorded videos and information sheets any time.

Classes and membership are free for concession card holders in our local area* for a limited time. The usual non ABA member price for the class is \$125.

Key topics covered:

- getting your baby positioned and attached for breastfeeding
- reading your baby's feeding and other cues
- knowing how to tell if your baby is getting enough milk
- accessing support and resources to help you with your baby
